

# Texas Farm Bureau Network Radio Station Affiliates

## *Focus on Agriculture*

Hosted by Don Kyser

### **AIRS MONDAY – FRIDAY**

This 3-minute program examines agricultural issues from Washington to Austin with officials representing various commodity and producer groups. Farmers and ranchers are featured frequently as they discuss crop and livestock issues. Animal health, water and international trade are just some of the other topics addressed on the program.

**Air times may change without notice. Updates will be made as necessary.**
